

The OPEC Award for the Best Energy Research Paper 2025

Call for nominations

The call for nominations for the OPEC Award for the Best Energy Research Paper 2025 has begun. This award recognizes past efforts and encourages future endeavours, honouring scholars who have made outstanding contributions to enhancing knowledge of the energy industry.

Individuals, organizations and institutions are invited to nominate qualified candidates to be considered for this Award.

Eligibility

To be eligible for the OPEC Award for the Best Energy Research Paper, the recipient must fulfill the following criteria:

- i. The research article must be of relevance to the energy industry.
- ii. The published research must not have won any other international award.
- iii. The research must be published in a refereed journal, indexed in either Scopus or Web of Science.
- iv. The award is limited to original research studies and articles. Publications such as review papers, conference proceedings, historical articles, book chapters or other case reports are not accepted.
- v. The applicant must provide written consent from each co-author as confirmation of his/her approval of the nomination.
- vi. The laureate must provide any additional information requested by the organizing committee and must be willing to attend the event.
- vii. The evaluation committee's decisions are final and no objection in this regard will be entertained.

Nominations

Individuals, institutions and organizations can submit nominations* for the Best Energy Research Paper by filling out the attached nomination form, which can also be downloaded from the OPEC website (www.opec.org). Completed nomination forms, **accompanied by a 500-word biography and portrait photo of each of the (co-)authors, as well as the nominated research paper in its entirety** should be sent either by e-mail to researchawards@opec.org or by post to:

Chairman
Advisory Panel for the OPEC Research Awards
Organization of the Petroleum Exporting Countries
Helferstorferstrasse 17
A-1010 Vienna
Austria

Laureate

The recipient of the OPEC Award for the Best Energy Research Paper will be chosen by a panel of industry professionals both within and outside the OPEC Secretariat.

Conferral of the Award

The OPEC Award for the Best Energy Research Paper will be conferred at the 9th OPEC International Seminar on 9 and 10 July 2025 in Vienna, Austria
